MATERNO FETAL CONCLAVE

Dear Friends and Colleagues

We are delighted to welcome you for the first ISUOG Approved academic courses to be held at Trichy on 23rd and 24th Aug 2025. The event will be showcasing 4 power packed workshops with live demo & state of art simulators training in Fetal Echo, Fetal Neuro, Doppler and IOTA certification which is one of its kind for the first time in Trichy. We have stalwart ISUOG faculties like Prof. Suresh, Dr. Prashant Acharya, Dr Mala Sibal and renowned International speakers joining online.

Enhance your knowledge on adnexal pathology with IOTA certification program which has a global recognition. This certificate program includes an exam which needs to be cleared to get the certificate.

Registered delegates will receive free ISUOG membership for 1 year where you can access free webinars, CMEs, journal and academy online portal across the globe. Kindly register and avail this opportunity for a great learning experience.
